Here you can find the [menu](#) of Marco's in Dublin. At the moment, there are **18** dishes and drinks on the food list. Despite some positive reviews praising the delicious food and friendly service, the overall experience at this restaurant seems to be marred by rudeness from staff, incorrect orders, and lack of apology for mistakes. Customers have complained about receiving attitude when inquiring about menu items and missing sauces. While some have enjoyed the food, the issues with customer service and order accuracy have left a negative impression. It seems that improvements in communication and professionalism are needed to make this restaurant a more pleasant dining experience for customers.
