What [Yumi Kim](#) doesn't like about Persian Delight:

We were excited to try this place, but the three meat plate tasted like a generic kebab. Also, because the restaurant inside was very cold and the meat was on a metal tray, the food got cold really quickly. The staff were really nice though. We didn't order naan, but they were huge as well. [read more](#). The comprehensive variety of [coffee and tea specialties](#) makes a visit to Persian Delight even more worthwhile.
