Took over an hour and a half to get one starter and two mains. Service unacceptably slow. Place was crowded but clearly there were inadequate staff numbers to cope with the demand. No apology offered by management or staff for lack of service. Food was Ok but will not be going there again. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good variety of **good beers and other alcoholic beverages** that go well with the food, In addition, the current games or races can be watched on the big screen in this sports bar, which the guests also love. The splendid scene of a diverse selection of attractions is an additional draw for this restaurant, Here, the meat is freshly *grilled* on an open flame.
