I was impressed with the delivery speed and however I wish they had taken longer/more care to cook the food.

Onion bhajis and chicken pakora were not crispy. The main was ok but nothing special, naan was cold (my favourite part so especially disappointed) and the poppadoms had been undercooked, as these take moments to cook this is astonishing. Very disappointing, will not reorder. [read more](#). At Taste Of Punjab in Kensington and Chelsea, a selection of delicious dishes with original Indian spices and sides like *rice or naan* are freshly prepared.
