Every time we're over, we always make sure we eat at Cogan's at least once, never had anything other than a great experience. The bacon cheeseburger I had tonight is honestly one of the best burgers I've ever had. Already looking forward to the next visit. [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served. What [User](#) doesn't like about Cogans:

2 diners. Lamb cutlets for one was very tough and inedible. Sent back. Scampi ordered instead. Prawns undercooked. Unacceptable in any restaurant. When we discussed with the owner, he abused both of us. I live in Miltown Malbay and have eaten there in the past. A pity the owner was so impolite and clearly can not handle a complaint. A bill was produced but then withdrawn. In the morning, you can enjoy a **rich brunch** at Cogans, freely at your own will, and you can look forward to the fine classic [seafood](#) cuisine. There are also delicious menus typical for Europe, You will not only have an attractive outlook of the deliciously prepared dishes, but you will also be offered a great outlook of some of the local **landmarks**.
