On this webpage, you can find the **complete [menu](#) of The Rockies** from Fife. Currently, there are **38** dishes and drinks up for grabs. Rockies, located at the golf club just a short walk from Anstruther, received mixed reviews.

While some diners found the service to be excellent and the Sunday Carvery to be delicious, others were disappointed by forgotten reservations, limited menu options, and long wait times. Despite some inconsistencies, the restaurant was praised for its beautiful views, friendly staff, and overall quality of food. Rockies has shown promise as a go-to spot in the East Neuk, but improvements in organization and consistency are needed to truly impress all diners.
