We called on spec today for a quick lunch prior to visiting friends in the area. The welcome was friendly. Staff and customers were most welcoming to our two little dogs. How nice this was. The food was most acceptable . Decent-sized portions and a lovely selection of seasonal vegetables. Pity not all pubs are so accommodating. [read more](#). You can use the WiFi of the place free of charge, And into the accessible rooms also come guests with wheelchairs or physiological disabilities. If the weather conditions are right, you can also eat and drink outside. What [Sara A](#) doesn't like about Dog And Gun:

I will only give constructive criticism. We went as a large party and pre ordered our meals. I myself ordered pate the pate was tasteless and came with 3 small triangles of a loaf crust when asking for more we were told they had ran out of bread. When my main arrived the salmon was very dry the noodles were inedible. My partner had chicken which was also very dry we asked for extra coleslaw to be told no we couldn't... [read more](#). A journey through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: Dog And Gun in Hambleton traditionally shines for example with **Fish and Chips**, mashed potatoes or roast with Yorkshire Pudding and as dessert a sweet Trifle, It's possible to chill out at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Of course, the right drink to accompany a meal is a must; for this purpose, this gastropub offers you a comprehensive diversity of scrumptious, regional alcoholic beverages like beer or wine, Inthemorning a hearty brunch is offered here.
