What [User](#) likes about Korenlei Twee: during the gentle parties enjoyed a smooth lunch presentation of the dishes and given three hallways and the price of prospects are adjusted to that. I don't understand how people complain about portions, I had enough to eat at a reasonable price quality is more than okay. [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather. What [User](#) doesn't like about Korenlei Twee: à la carte ate: quality submarine: shrimp crops were flourishing. Stock dry, sauce no taste, just pieces of meat. Big pieces of apple to fill the pot. Bedscarpaccio; Meat wasn't cut. Traffic pur of gra was not a beating meat. wine far too expensive: \$200 more for the same bottle than in a different gentle restaurant with a mention in the gault millau. to order another dessert. Pascal, I'm sorry you never see me again... [read more](#).
