What [User](#) likes about Woolpack: on the first look at the menu one would assume that the woolpack is almost impossible for vegans. but actually there are so many small hidden menu elements that only take a small substitution to make them vegan. I had an absolutely scrupulous bohnensburger with chips, some garlic bread and some homemade nachos with guacomole, three bohnen chili and salsa. the portions were incredibly generous. I was also impressed tha... [read more](#). As a guest, you can use the WiFi of the place free of charge, Depending on the weather conditions, you can also sit outside and eat and drink.
