On this site, you can find the **complete [menu](#) of Fit Food Bistro** from Perth Kinross. Currently, there are **33** meals and drinks up for grabs. Nestled within a popular shopping destination, Compass Cafe presents a mixed bag of dining experiences. While the menu boasts an appealing selection, including breakfast and lunch options, service quality remains inconsistent. Some patrons report friendly staff and delicious meals, praising the bacon rolls and roast beef sandwiches. However, others have encountered abrupt service and a lack of menu knowledge. A particular point of contention is the use of margarine instead of butter, which detracted from some meals. Despite these drawbacks, loyal customers appreciate the cafe's ambiance and convenience, though some individuals may reconsider their visits due to recent experiences.
