Here you can find the [menu](#) of **North Street Deli** in Leeds. At the moment, there are **37** courses and drinks on the card. Nestled just off the main thoroughfare, this café has garnered a mixed reputation among regulars and newcomers alike. Many patrons have praised the welcoming atmosphere, delectable dishes, and attentive service, with standout mentions for their sandwiches and breakfast options. Despite some recent critiques highlighting inconsistent food quality and service experiences, particularly concerning undercooked items, the establishment still attracts eager diners. Its cozy vibe and commitment to freshly prepared meals make it a go-to spot for those seeking a satisfying meal. Just be sure to check opening hours, as unexpected closures have left some customers disappointed. Overall, the café remains a charming find worth visiting.
