A comprehensive [menu](#) of The Hayloft Cafe from Broxtowe covering all 17 menus and drinks can be found here on the food list. Nestled in a scenic Cotswold campsite, the café presented a stark contrast in experiences among patrons. While some visitors praised the friendly, attentive service and hearty meals, others faced disappointing hygiene, untrained staff, and poorly prepared food. A heated atmosphere could deter potential customers, with limited menu options and slow service also noted. Despite its flaws, improvements under new ownership hint at a promising future, especially with a diverse drink selection and a lively beer garden. Ultimately, the café may appeal to certain diners, but a significant overhaul is needed for it to become a reliable destination.
