We went again last night for a Friday takeaway. We have been using this Takeaway for many years now and Abdul and staff always have a warm welcome. The food is good quality and so reasonably priced. Really good to watch the show cooking as you can see the food being cooked. Abdul runs the kitchen with absolute precision and it always amazes me how they can get so much good quality food out in such a quick time. [read more](#). What

[Gary T](#) doesn't like about Alif Cuisine:

Love food from here but delivery was unacceptably late so I had to cancel the order. Alifs probably weren't happy as payment was cash . I wasn't happy as I had to leave home before eating. Excuses of they were busy aren't acceptable as they email a delivery time and know what orders are outstanding when my order was placed. if I'd known the order would take an hour longer to deliver I wouldn't have ordered!!!
