Here you can find the [menu](#) of **Royals Fish Chip Shop** in Arun. At the moment, there are **16** courses and drinks on the card. Royal Fish and Chip Shop has garnered both praise and critique from diners. While many appreciate their dedicated gluten-free options—particularly for those with coeliac disease—there have been notable inconsistencies in food quality. Diners have reported issues with overcooked items, cold fish, and underwhelming portion sizes. On a positive note, fresh preparation and friendly service received commendation, with some customers lauding the generous portions of chips and the delightful taste of the fish. Overall, the experience seems to hinge on timing and preparation, making it a restaurant with impressive highs but equally significant lows.
