What User likes about The Heron: who would have thought that down from a pub, the heron, that I would come across the best Thai food I had the opportunity to experience in whole London. The orange curry threw me away. [read more](#). As a visitor, you can use the WLAN of the restaurant at no extra cost. Depending on the weather conditions, you can also sit outside and eat and drink. What User doesn't like about The Heron: the right restaurants are formed in the pubs. Perhaps it is a sign of time that people are not satisfied with pub grub to go with their beer and ask for something more. Or maybe the margins are better with food on the side. Alternatiw, maybe if that was salty enough, it could promote more liquid refreshments. Or perhaps if it was suitable adventurous, it could try a part of the food to require the liquid mut.
