Food is reasonably price and quality is good. My favourite is the Special Fried Rice which comes with extra pork meat with sweet plum sauce on top and a fried egg. This restaurant has been around for the past 40 years and the food still taste the same as back then which is a winning formula. Lady owner is very helpful and very polite in person and over the phone which you can ring ahead your orders. [read more](#). What [kevinj3359](#) doesn't like about Silver Dragon:
