Here you can find the [menu](#) of **The Harvest Moon Pub** in East Hertfordshire. At the moment, there are **17** dishes and drinks on the menu. Nestled in a scenic location, this once-beloved pub has faced a tumultuous shift in its dining experience. While some patrons rave about the warm atmosphere, friendly staff, and decent beverage offerings, recent reviews highlight a concerning decline in food quality. Diners report excessively long waits, with meals often arriving cold or poorly cooked. Complaints about soggy dishes, stale pastry, and unappetizing roast dinners are frequent. Although some visitors appreciate the dog-friendly environment and occasional excellent dishes, the overall sentiment suggests a restaurant in need of significant improvement to regain its former glory and justify a visit.
