A complete [menu](https://menuweb.menu) of The New Caterham Arms from Tandridge covering all 18 dishes and drinks can be found here on the card. Nestled in a vibrant locale, this restaurant presents a mixed bag of experiences. Guests have praised the delightful carvery and attentive service during special occasions, while others lament the chaos, insufficient food options, and inconsistent quality. Complaints about undercooked meat and lack of gluten-free awareness contrast sharply with glowing reviews of the buffet and friendly staff. While the venue shines as a party spot with an energetic atmosphere, it struggles with execution, often leading to disappointment. This establishment may best suit those seeking a casual outing, but potential patrons should be prepared for varied dining experiences.
