On this homepage, you can find the **complete menu** of **The Artichoke** from [Bungay](#). Currently, there are **33** dishes and drinks available. Nestled in a picturesque village, The Artichoke offers a blend of traditional pub charm and varied dining options. While the cozy interior boasts a welcoming atmosphere, the outdoor beer garden sadly falls short, marred by neglect. Diners generally appreciate the diverse menu and decent service, often highlighting signature dishes like the build-your-own burger. However, occasional lapses in food quality have been noted, emphasizing the need for consistency. The warmth of the staff and the extensive drinks selection, particularly local ales and ciders, make it a desirable stop, despite areas for improvement to fully realize its inviting potential.
