On this homepage, you can find the **complete menu** of Maypole Inn from Havant. Currently, there are **18** dishes and drinks available. The Maypole offers a unique blend of dining experiences. While some guests have enjoyed decent dishes and friendly service, many reviews highlight inconsistencies in food quality and atmosphere. Critiques often mention unseasoned mash and overpriced extras, such as small portions of gravy. The restaurant's ambiance has been likened to a subdued pub with damp tablecloths, and the occasional distraction of radio ads. However, some patrons appreciate the warm hospitality and attractive presentation of certain meals, especially during special nights, making it a potential spot for a casual gathering, despite a few shortcomings in the overall dining experience.
