the menu did not impress me, so fought to choose something to mean. the sub-positions like burger have led them to believe many choices, but no, a meatburger based a plant. the description was misleading when I thought it was a brisket that turned out to be just the one looking. for fish and chips. fish was nice, but if I've been muddy, they're never hot. so disappointing and the court where they were served was chip... [read more](#). As a visitor, you can use the WiFi of the restaurant free of charge, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. If the weather conditions are right, you can also have something to eat outside. What [User](#) doesn't like about The Fishers Pond:

nice to sit outside in the sunshine. encouraging how many people sat in the terrace. beautiful interieur, enough parking. but oh my eating was terrible I had a fish goujons wrapped when it first thought disappointment arrived, the smallest...wrap blown into the packaging with over goujons. no salat or garnish . fries as expected. a side salat rockkete spargel whisky could have been the garnish with the package at the...
