On this homepage, you can find the **complete [menu](#)** of Rani Fine Dining from Wigan. Currently, there are **16** meals and drinks available. Rani promises a vibrant dining atmosphere, decorated beautifully with a welcoming ambience. Many patrons rave about the exceptional curries and attentive staff, praising dishes like silsilar and beef biryani for their outstanding flavor. However, consistency in service and food quality appears to be a concern; multiple diners reported undercooked or bland appetizers, and rushed experiences detracted from their enjoyment. While some appreciated complimentary drinks, others found flat and warm beverages disappointing. Despite the positive feedback on some meals, several guests felt unwelcome, indicating the need for improvement in overall service. A promising venue, yet room for enhancement remains.
