Here you can find the [menu](#) of **Quench** in Mid Sussex. At the moment, there are **18** meals and drinks on the menu. Nestled in a vibrant area, this restaurant impresses with its delightful staff and beautifully presented drinks. However, diners frequently express disappointment with the food quality. Many noted issues such as soggy salads, misleading ingredients, and excessive saltiness. Breakfast items often feature frozen components, detracting from the fresh experience expected at higher price points. While some patrons rave about the incredible burgers and served chips, others suggest that the establishment shines more in its beverage offerings than in its culinary arrangements. Furthermore, concerns about social distancing and health safety were raised, highlighting areas needing improvement.
