I had low expectations when I had ordered here to begin as the prices were very low comparative wise, but I must say I was pleasantly surprised by the food from here. I ordered Pakora and Biryani to take part. It was spicy and tasty with lots of chicken, lots of food and for relatively small amounts of money. Recommended if you are in the area or have the opportunity to order on eg. foodora. [read more](#). What [User](#) doesn't like about Shahi Masala Indisk Restaurang:

Indian restaurant that serve typical curry, the interior is modest During lunchtime typical it serve chicken, beef and [vegetarian](#) dishes. You can check in the website in advance Lunch cost 69: including nan bread but NOT including 10 kr drink soda or 25 for Mango Lasi [read more](#).
