On this webpage, you will find the **complete [menu](#) of Borough Arms** from West Berkshire. Currently, there are **14** dishes and drinks available. The Borough Arms in Hungerford underwent a full internal refurbishment in October 2017, under the new management of landlady Sylvi since July 2017. The friendly neighborhood pub now offers a comfortable atmosphere, with a new range of wines, spirits, four Wadworth real ales on tap, and eight other draught options. The beautiful garden out back is perfect for sunny days, while two wood burners inside provide warmth during colder months. Although the pub has historically not served food, a full menu food service is set to begin in the second quarter of 2018. Whether you're a local or just passing through, come say hi to Sylvi and her welcoming team at Borough Arms. You're always welcome!.
