A complete [menu](#) of Sunrise Chinese Takeaway from Mendip covering all 17 courses and drinks can be found here on the food list. In a mixed bag of dining experiences, this restaurant seems to captivate some while disappointing others. Several diners rave about the generous portions and quick service, particularly praising dishes like sweet and sour pork and fried rice. However, complaints arise over missing ingredients, fatty meat, and reheated items, leading some patrons to feel cheated. Despite inconsistent quality, a core group of loyal customers appreciates the flavorful Chinese cuisine and decent prices, often returning for takeout. While some vow never to return, others celebrate the establishment as a local gem worth revisiting, especially during lockdown when options are limited.
