Panettis, a modern restaurant in Bedale, presents a stylish ambiance with attentive staff. While some patrons enjoyed fresh, flavorful dishes like warm chicken salad and delightful tiramisu, others expressed disappointment over lackluster meals and poor presentation. The Wensleydale rarebit and crab linguine failed to impress, and concerns were raised about food freshness and cooking techniques. Despite its charming atmosphere and friendly service, the inconsistent quality of the food leads to mixed reviews. Those seeking a reliable dining experience may want to consider their options, as Panettis has potential but needs improvement in kitchen execution and attention to detail.
