Here you can find the [menu](#) of **Mission Burrito** in Canoga Park. At the moment, there are **18** meals and drinks on the card. This restaurant offers a diverse menu with hits and misses. Many patrons highlight the tasty entrees, including burritos and fajitas, praising the friendly service and prompt food delivery. However, inconsistencies in order accuracy and menu descriptions leave room for improvement, particularly with items like nacho fries that didn't meet expectations. While some diners appreciate the authentic flavors, others find the pricing steep compared to local taco trucks. The bustling atmosphere is a testament to its popularity, but visitors may encounter cleanliness issues and limited parking. Overall, it seems there's good potential, but dining here requires some patience.
