biggup spices, thanks to food, nice eat in, good service but lasts one because to get their order when they eat, but they are very busy and eating makes definitiw for the time. the hunch is (in the burgers) [read more](#). What

[User](#) doesn't like about Spices:

terrible service and eating. this place was taken over by the new administration. the new dame on the floor is super rude. I don't think she has the most faintest idea of customer service. is not going to go back here, as food standards have fallen sharply. [read more](#). Spices from Birmingham is known for its delicious burgers, to which **crispy fries, salads and other sides** are served, One also prepares dishes finely and freshly with traditional Indian spices.
