What [spongebob2210](#) doesn't like about Hector's Shed: Visited here recently. It's certainly always an experience to be in a typical saloon and to consume; to feel like a cowboy for once with a chilled drink and also the finger food like crispy fries, onion rings or a hearty burger, for breakfast they serve a extensive breakfast here. We offer not only sweet pieces, cakes and small snacks, but also cold and hot drinks, The guests of the establishment also appreciate the comprehensive selection of differing **coffee and tea specialities** that the restaurant has to offer.
