A complete [menu](#) of Cathedral Cafe from Worcester covering all 17 menus and drinks can be found here on the menu. Nestled within the tranquil Cathedral gardens, this charming café offers a mixed experience for visitors. While some diners rave about the lovely ambiance, friendly staff, and ethically sourced food, others express frustration over inconsistent service and long wait times for orders. The coffee, served in paper cups, leaves much to be desired, yet highlights like homemade haggis and fresh soups shine through. Despite some criticisms regarding stale scones and worn-out furnishings, the café remains a popular pitstop for sweet treats and refreshments after exploring the nearby cathedral, making it a noteworthy, if imperfect, destination in Worcester.
