Here you can find the [menu](#) of **M&s Cafe** in Cheltenham. At the moment, there are **17** meals and drinks on the card. The café at M&S in Gallagher Park is a mixed bag, offering quality food and friendly service, but marred by inconsistent execution. While the atmosphere is cozy and some dishes like cheese scones and jacket potatoes receive praise, many patrons note a decline in cleanliness and food quality over time. Instances of slow service and unclean tables are frequent complaints, offset by the commendable attentiveness of certain staff members. Overall, while it remains a popular spot for shoppers seeking a quick bite, improvements in efficiency and upkeep are necessary to restore its former glory.
