A complete [menu](#) of Tuk Tuk Indian from South Ribble covering all 24 meals and drinks can be found here on the card. Tuk Tuk offers a mixed dining experience, with aspects that shine amid some drawbacks. While many patrons appreciate the delicious and savory curries, particularly the Balti selection, service issues have marred experiences, including late deliveries and missing items. Some dishes, like the chicken tikka balti, have been critiqued for lacking substantial meat and flavor. On a positive note, portions tend to be generous, often providing good value for the price. Friendly service and a clean atmosphere contribute to its charm, making it a popular choice for regular takeaway, even if recent inconsistencies prompt some diners to reconsider their next order.
