Wow! Visited last night for food and drinks; what a great decision to visit here. The only thing better than our delicious meals and good selection of drinks was the service we received from all the staff. They were so friendly, attentive and efficient. I can't remember the last occasion I received such brilliant and unforgettable service. Will definitely visit again so shy away! [read more](#). In nice weather you can even eat and drink in the outdoor area, and there is free WiFi. What [User](#) doesn't like about The Dog:

Haven't visited for a number of years so decided to go back and try it for lunch. The food was nice and the staff was very pleasant. That was the positive ending. The interior was ok but looks a bit tired. We sat outside and...the patio and garden area really drained it. Shabby and uninspiring. The bin was overflowing with rubbish, there was discarded medicine on the patio, and stuff strewn across the grass. Too bad. [read more](#). With the comprehensive selection of **coffee and tea specialties**, a visit to The Dog becomes even more attractive, here they serve a appetizing brunch in the morning. Similarly, the restaurant serves a diverse variety of *tasty tapas*, which are certainly worth a taste.
