On this site, you can find the **complete menu** of **Freshii Ireland** from Dublin. Currently, there are **17** dishes and drinks up for grabs. Freshii offers a mixed experience for diners. Some are disappointed with the lack of attention to orders, slow service, and issues with food quality. On the other hand, the Pangoa burrito bowl offers a nice kick and healthy options like the Cobb salad are fresh and delicious. Friendly staff and convenient locations near EPIC museum make it an appealing choice for some, as long as you don't mind potential hiccups in service and food quality. It seems like there are both hits and misses at Freshii, so your experience may vary.
