A comprehensive [menu](#) of The Winchester Arms from Taunton Deane covering all 17 meals and drinks can be found here on the menu. The recently renovated Winchester Arms, now called McKenzies, showcases a spacious and cozy setting with a varied menu—including tempting tapas options. While many patrons praise the delicious food and affordable drinks, experiences have been marred by unwelcoming staff and discomfort from old seating. The bar boasts a good selection of beer and cocktails, complemented by friendly service. However, a noticeably quiet atmosphere on weekdays raises concerns about its popularity compared to nearby establishments. Overall, while the dining experience has potential, the ambiance and service may need attention to reclaim its former vibrancy.
