What [User](#) likes about Wahacas:

visited with my teenage daughter who immediately approved the aesthetic and instagram possibilities! eating, service and decor were all great; we had a side (guacamole and tortilla chips), a small plate (steak and cheese tacos) and an burrito followed by churros, and it was. the perfect amount of food for us. it was not clear whether we wanted guacamole and bee in the burrito that they would be calculated as 2 separat... [read more](#). The restaurant offers complimentary WLAN for its guests, And into the accessible rooms also come visitors with wheelchairs or physical limitations. If the weather conditions are right, you can also have something to eat

outside. What [User](#) doesn't like about Wahacas:

I usually love going to wahaca, especially as they have lots of gf options, however I've been twice in the last 2 months (once on a Saturday night and once on a Tuesday lunch time) and both times they had run out of avocados so...there was no guacamole which was really disappointing as half the dishes come with guacamole or avocados. Tried the wahacamole they were pushing and it was awful. Will be back but only if th... [read more](#).

Anticipate the varied, delicious [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers), It's possible to chill out at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. The restaurant also offers a extensive diversity of flavorful tapas, which are definitely worth a try, there are also fine vegetarian recipes in the menu.
