The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations. What [Elizabeth](#)

[Adams](#) doesn't like about Best [Kebab](#):

Visited this restaurant midday for a quick brunch. Ordered halloumi and falafel. The halloumi was small and overcooked and the falafel was too dry to eat. Perhaps if the chef focused more on the food and less on the ridiculously volumed TV on the...back wall the food would be better. Disappointing experience in a hot spot of excellent eateries, won't be re-visiting. [read more](#). At Best [Kebab](#), you'll find not only the traditional Kebabs done in various, distinct styles, but also the spices well-known for Turkish cuisine - whether on a delicious Lahmacun, or in Sucuk or even in one of the various lentil or bulgur salads, The dishes are usually prepared in the shortest time and fresh for you.
