I was unable to have the pho as it wasn't veggie (although there was a tofu option with the beef broth) this was disappointing as I have had good veggie broth pho at other places. The service was pretty poor, and it took a while to have our orders taken. The food was pretty mediocre, which was a let down as I was super excited about coming here! Service: Dine in Food: 3 Service: 3 Atmosphere: 3 [read more](#). The extensive selection of **coffee and tea specialties** makes a visit to Alo Pho even more worthwhile, there are also *tasty vegetarian dishes* in the menu. The preparation of the meals is done authentically Asian, Furthermore, the guests love the creative combination of different menus with new and partially experimental products - a nice example of successful Asian Fusion.
