What [MatinicusRock](#) doesn't like about Llanfaes Dairy:

... That there would be a world class ice cream shop in Brecon, Wales. Certainly not me. There 's a reason there 's often a line of people waiting to get their ice creams here the flavors are plentiful and the quality is just incredible. Perhaps it 's the local cream from which the ice cream is made? Or perhaps part of the magic is the clever cones they make I had an ice cream in a Smarties Cone. Stupendous! Whatever it is or however they do it, waste no time and head on over, and if there 's a line, don 't worry it 's worth it!. A roundtrip through Great Britain without getting on a plane is effortlessly possible when it comes to culinary delights: Llanfaes Dairy in Powys traditionally shines for example with Fish and Chips, mashed potatoes or roast with Yorkshire Pudding and as dessert a fine Trifle, and you can look forward to traditional Italian cuisine with classics like pizza and pasta. Of course, we must not forget the comprehensive variety of *coffee and tea specialties* in this locale.
