Lilly's Hotel offers a blend of charming features and significant drawbacks, reflecting a renovation-in-progress atmosphere. Guests have praised its stunning views of the Conwy estuary and a well-reviewed pub restaurant, known for its diverse menu and fresh breakfast options. However, numerous reviews highlighted maintenance issues, such as mismatched rooms, broken facilities, and a lack of cleaning services due to post-COVID policies.

Customer service experiences varied, with some staff noted for friendliness, while others displayed a lack of attentiveness. Overall, while Lilly's has potential, it urgently requires improvements to meet guest expectations fully.
