Lovely chinese we actually visited twice last week after trying it. The shredded beef with chilli salt is lovely the chips are lovely and crispy just like chinese chips should be. I would totally recommend it. My boyfriend has had crispy chicken noodles and enjoyed them and he's also had the crispy chicken with chilli salt. The spare ribs in chilli salt were also lovely and yes we both love chilli salt dishes read more. What imogenb728 doesn't like about The Regent:
Literally disgusting, no value for money at all and barely any chips and 2 chicken balls. there's a Chinese across the street that does x2 more food for less money read more. The customers love it when Asian cuisine meets a bit of creativity. That's exactly what you can expect at the The Regent from Gateshead, with its unconventional Asian fusion cuisine - the right mix of what you know meets the adventurous world of fusion cuisine, on the daily specials there are also a lot of *Asian menus.* The versatile, fine Chinese cuisine always goes down well with visitors, Generally, the dishes are prepared in the shortest time and fresh for you.
