What User doesn't like about Olivia Torget:
The food was fine. What was very bad was that when we arrived, we were waiting to be seated and a waitress told us in a disrespectful way: move from the door. The way she talked was not decent, in fact was kind of aggressive. Simply because of this I think I will not return to this restaurant. That is not the way I want to treated when I will spend my money in a restaurant. 09.5.22 kl. 21 read more.
