Here you can find the [menu](#) of **The Priory** in [Wellingborough](#). At the moment, there are **34** menus and drinks on the food list. At this bustling eatery, diners experience a mix of satisfaction and disappointment. While the breakfast buffet offers excellent value and quality, with rave reviews for bacon and sausages, many lunch and dinner experiences fall short. Some patrons encounter confusion over menu pricing and discounts, as well as issues with food quality—cold and poorly presented dishes detract significantly from the overall appeal. Despite these inconsistencies, the friendly and accommodating staff, led by a standout named Sharon, receive high praise. Overall, the restaurant shows potential, but it needs to address its food and service inconsistencies to enhance the dining experience.
