A complete [menu](#) of Grill N Chill from County Durham covering all 28 courses and drinks can be found here on the menu. Chill and Grill boasts a fantastic location and appealing ambiance, but diners have reported a mixed experience. While some praise the quality and generous portions of dishes like lamb curry and naan, others lament small serving sizes relative to high prices. Service also garners mixed feedback; some guests experienced friendly and attentive staff, while others encountered issues like long waits or perceived rudeness. Cleanliness remains a positive highlight. Overall, this restaurant promises potential but may not consistently deliver value for families or those seeking a hearty meal. A visit may be worth it for the right expectations.
