[User](#) likes about Fox Excel:

quite a nice looking bar offers a reasonable selection of lagers, although not much to offer for the biertrinker. the food is ordered at the bar, although this is not immediately obvious when they get in. the burger was pretty good what I would expect from a pubburger. I wasn't blown away, but I wasn't disappointed either. the ham, egg and chips were served on a cold plate. somewhat strange for a usually hot meal. t... [read more](#). When the weather is

pleasant you can also have something outside, And into the accessible rooms also come visitors with wheelchairs or physical limitations. WiFi is available without additional charges. What [jamesY7674EB](#) doesn't like about Fox Excel:

Particularly poor service on a busy lunchtime at the ExCel. Food took over an hour to arrive and elements had been forgotten entirely. Other than the manager, who was obviously trying their best to sort everything out, the remainder of the staff came across clueless. They had also run out of a number of drinks. I hear the chicken poppers are good though, when they arrive. [read more](#). During meals, a refreshing drink is essential. In this gastropub, you will find not only flavorful menus, but also a large and comprehensive assortment of good beers and other alcoholic drinks that compliment the food, Particularly fans of the English cuisine are excited about the large diversity of traditional menus and love the typical English cuisine. Sometimes you may not want to consume a lot, in this case one of the fine *sandwiches*, a small salad or another snack is just right, Naturally, you can't miss out on the tasty burgers, which are accompanied by sides like fries, salads, or wedges offered.
