As a visitor, you can use the WLAN of the establishment at no extra cost. Depending on the weather conditions, you can also sit outside and eat and drink. The premises on site are accessible, and therefore no problem for clientele with wheelchairs or physiological disabilities. In the morning, you can enjoy a **diverse brunch** at The Ship Inn, as much as you want. Particularly fans of the English cuisine are excited about the large selection of traditional meals and love the typical English cuisine. Of course, there's also crisply crunchy pizza, baked fresh according to original recipes. You can also unwind at the bar with a *cool beer* or other alcoholic and non-alcoholic drinks.
