I'm getting too much at the moment. my honesty in the last week of visiting a particular gastropub and not also want – but completely in love with him. or my native Indian who looked like pretty ashamed from the outside, but turned out to be absolutely delicious in the inner. this time it was a similar story, but from a completely different background and it comes to a word – vegan. I understand what a vegan is and a... [read more](#). What [User](#) doesn't like about Straw Hat:

very disappointing culinary experience. the restaurant is located in a hotel and we had to ask the staff where the restaurant was located at three different locations. only one other table was occupied on a sat night and there was no waiter that we literally waited 20 minutes for the one waiter to come and serve us. the food took a ridiculously long time to prepare. objects were missing ingredients in the menu, for e... The tasty and fresh **juices** on the drinks menu supremely enhance the dishes in the restaurant, The successful fusion of different dishes with fresh and occasionally daring products is highly valued by the guests - a good example of Asian Fusion. A lot of fresh vegetables, fish and meat is used in the easily digestible Japanese cuisine of Straw Hat, on the daily specials there are also a lot of [Asian meals](#).
