A small individually styled cafe/restaurant with a great vegan buffet. Friendly staff, relaxing environment and good value for money. Strongly recommended! Updated from previous review on 2019-01-08 [read more](#). What

**User** doesn't like about Stora Vego Ab:

. Very small menu. Paid 159sek for the tapas and was dissapointed. What i got did not match what i ordered, the combination of flavours was not very tasty and i could not push myself to eat everything. The staff was friendly though and I'm sure other people might enjoy the food. A visit to Stora Vego Ab is particularly valuable due to the large selection of coffee and tea specialties, the restaurant provides however also *menus typical for Europe*. If you want to have breakfast, a versatile brunch awaits you, Of course, you also have to try the tasty burgers, that come with sides like fries, salads, or wedges served.
