[chrispR9431LH](#) doesn't like about The River View:

Staff have a bad attitude. They seemed nice at first but showed there true colours. The food was awful, frozen veg and the chicken was under cooked and red in the middle, I'd eaten some by then and ended up with a stomach bug the next day, all washed down with flat beer that came in a dirty glass. If that wasn't bad enough the toilets were straight out of trainspotting. Awful place. Try Gallergers next door instead. [read more](#). A journey through Great Britain without getting on a plane is absolutely possible when it comes to culinary delights: The River View in WIRRAL traditionally shines for instance with **Fish and Chips**, mashed potatoes or **roast with Yorkshire Pudding** and for dessert a delicious Trifle, Here, the barbecued food is freshly cooked on an open flame. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Furthermore, the drinks menu in this restaurant is impressive and offers a good and extensive diversity of beers from the area and from worldwide, which are definitely worth a try.
